Krimpen a/d IJssel, February 2015

Dear valued customer,

We have pleasure in presenting you the renewed KW Tools bv pricelist valid from February 2015.

This pricelist differs from the previous and is the complete pricelist of all products KW Tools offer throughout Europe. As you can notice some prices are lower than previous but most prices are increased due to the recent Euro/USD exchange rate. The pricelist is mentioning discount codes which refers to the discount which will be confirmed to you by mail at request.

New in our program will be the Unika concrete drill bits. The drills with SDS plus and SDS max shank guarantees dust control! It ensures the user a comfortable and clean working environment, free from dust from drills. In some European countries the use of a dust control installation is ordered by law. The Unika drills will already apply to this new regulations.

KW Tools will be active this year at several exhibitions to demonstrate new tools and machines. We will participate ISH exhibition in Frankfurt. You can find KW Tools at hall 6.2, B47 from 10 until 14<sup>th</sup> of March. We will also participate the Interschutz exhibition in Hannover. You can find KW Tools at hall 13, H44 from 8 until 13<sup>th</sup> of June.

We trust to have informed you well and wish 2015 will be a good year for sales of KW Tools products.

With Kind Regards,  
**KW TOOLS BV**

A. van Dulst  
Managing director
